Change of assessment notices will be mailed earlier in 2014

Changes to the Virginia Code that were made by the General Assembly this past year require an adjustment of the appeal deadline and a new date for mailing change of assessment notices in the City of Hampton.

In 2014 the Office of the Assessor of Real Estate will mail change of assessment notices on Tuesday, Jan. 28, about two weeks earlier than the previous year.

The deadline to appeal a property assessment to the Office of the Assessor of Real Estate will be March 1, 2014, which is also about two weeks earlier than the previous year.

The deadline to appeal to the Board of Review will remain April 1.
