WELCOME TO THE TURKEY DAY GAME

It is my privilege to welcome each of you to the annual Hampton High School – Newport News Turkey Day Football Game. We sincerely trust that the many activities that have been planned for you will be enjoyable and will be adequate and the pleasure that you receive from being here will more than compensate you for your time and effort.

We have two very fine football teams on the field this afternoon composed of outstanding young men. They are competing for the honor of winning and the glory of the respective schools. They have been coached to the best ability of their coaching staffs. I am sure their spirit is high. Each member on each team has a keen desire to win. They, however, realize, probably better than any of us in the stand, that this is just another football game. They are prepared to accept the outcome in a sportsmanlike manner and we sincerely trust that every spectator in this game will display the necessary sportsmanship and conduct himself in such a way as to add prestige to our team, coaches, peninsula district, and our schools.

We again say, "Welcome to the annual Thanksgiving Day event and we trust that each of you will always find a warm welcome in Hampton and at Hampton High School." May the best team win and may we all exemplify sportsmanship at its best here this afternoon.
