

Keeping Hampton Clean & Beautiful Since 1978

August 27, 2014

Nominate a Clean & Green Hero Today!

The Hampton Clean City Commission will be recognizing people who make a difference in Hampton's environment at their October 23 Volunteer Recognition Dinner, which will be held at Spratley Gifted Center. Nominate your favorite clean and green heroes, whether they are individuals, families, churches, civic organizations, or companies.

It's easy to nominate someone – just go to http://hampton.gov/FormCenter/Hampton-Boards-Commissions--Committees-5/Hampton-Clean-City-Commission-Award-Nomi-68 and provide the requested information.

Winners will be selected by the Hampton Clean City Commission on September 9th, so get your nominations in before the end of the day September 8th.

You do not have to be a member of the Hampton Clean City Commission to nominate someone, and your nominee does not have to be affiliated with the Hampton Clean City Commission, so look around you and take that step to say thank you to someone who works hard to keep Hampton clean and beautiful.

For more information, contact https://example.gov or call 727-1130.
