

Hampton Electoral Board Meeting
October 4, 2023 10:00 a.m., Registrar's Office

Present: Rebecca Winn, Tom Harmon, Matt Scott, Registrar Tara Morgan
Guests: Josh Moran, Sheryl, Jacqueline, Debbie Williams

Meeting was called to order at 10:14 a.m.

Points of discussion:

New OEs must be approved – this will be done in closed session

Chiefs and Assistants Chiefs – also closed session

Training dates – see bottom of these notes

Questions of office security – to be discussed in closed session

Meeting with Commonwealth's Attorney Bell? Another contact will be made with him to attempt a meeting on voter fraud.

New ADA evaluation visits? They will be made on 10/10 at 10:00 a.m.

Tara is still trying to get signs for announcements on Election schedule and place for voter registration and early voting. She has reached out without much success so far.

Tara has contacted city employees who will help get our machines out to the precincts ahead of the election. The "main guy" from previous years has retired.

Re: Hiring ESS to assist with programming and certifying the machines – a big success as Tyler was a big help. This process is much more complicated now that each precinct must have it's own ballot.

Early voting so far: 556 in-person ballots cast as of this morning. 969 mailed-in ballots of about 6000 sent have been received.

Our guests had no comments or questions today.

Meeting went into closed session at 11:08 a.m. to discuss security and personnel matters.
