## Assessor's annual report for 2016 available online

**Aug. 28, 2015** - The annual report from the Office of the Assessor of Real Estate for fiscal year 2016 is now available [online](#). The 29-page report includes information about the value of Hampton real estate, real estate taxes, and transfers.

The assessor's office is responsible for "fairly and equitably" assessing the value of all real estate in the city, administering applications for tax exemptions and tax abatements.

The theme for the 2016 report is "A Picture is Worth a Thousand Words" - emphasizing the end of a multi-year project to create images and sketches of all improvements on parcels in the city. The report also includes a list of the top ten taxpayers in the city for fiscal year 2016, and the mean and median value of residential property in the city.
