

VPPSA Compost Facility

Yard waste (such as leaves, grass, and brush) from Hampton, Poquoson, and York County is processed at the Compost Facility into quality compost and mulch products that are available for purchase throughout the year.

HAMPTON RESIDENTS ... why not try this time - saving idea?

- Load up your truck or trailer with yard debris and drive to the Compost Facility to dispose of it. The facility can accept yard debris up to 24 inches in diameter and up to 6 feet in length.
- Your empty vehicle can then be filled with the purchase of your choice!
