

# Announcing the 2012 Adopt-A-Spot Award Winners!

Have you ever participated in a litter cleanup? Maybe more than once? Imagine participating in 17 litter cleanups in one year! Or maybe you would prefer to clean up 163 times... The outstanding winners of the 2012 Adopt-A-Spot Awards have done just that. They have taken loving care of their spot more than the required five times per year, sometimes WAY more! The Hampton Clean City Commission bestows two Adopt-A-Spot honors on exceptional program participants. The Golden Litter Stick Award recognizes those individuals and groups who have cleaned up their spots 20 or more times per year. The Extra Mile Award winners clean up between 6 and 19 times per year. ***Please join us in congratulating the volunteers who have contributed numerous hours of loving labor to keep our public areas and our waterways cleaner.*** Every piece of trash they pick up is one that won't end up in our waterways.

## **GOLDEN LITTER STICK AWARD WINNERS (number of cleanups in parentheses):**
