Hampton Grant Application

OVERVIEW

This information will help you identify the local incentives offered by the Economic Development Authority of the City of Hampton, Virginia (EDA) that may best fit your business needs. Most of these programs offer financial assistance in the form of grants to existing businesses that are expanding and new businesses in the City of Hampton (City).

The specific terms, conditions, and eligibility requirements for the programs are generally described for each program.

Program information and applications are available on the City Department of Economic Development's website www.choosehampton.com. Interested applicants may also learn more by visiting, calling, or writing the Department at the address and through the contact information listed on the cover.

PART I: General Purpose and Criteria and Process – All Programs

Purpose:

Hampton City Council provides funding to the EDA in order to enhance the goals and objectives of the City, particularly those related to tax revenue generation, job creation, or stimulation of the redevelopment of under-utilized and deteriorated commercial and industrial properties in the City.

Required information:

- Project description and Hampton location
- Explanation of why financial assistance is being sought
- Estimated project timeline including estimated start and end dates
- Estimated capital investment and number of full-time jobs
- A credit check for each individual with an ownership interest

Public Disclosure; Protection of Confidential Proprietary Information:

The EDA is a political subdivision of the Commonwealth of Virginia. Information and documents in the custody of the EDA are subject to public disclosure pursuant to the provisions of The Virginia Freedom of Information Act, Code of Virginia §2.2-3700 et. seq., as it may be amended from time to time ("VA FOIA"). VA FOIA allows for certain confidential proprietary records to be excluded from disclosure voluntarily provided by a private business pursuant to a promise of confidentiality when used by the public body for business, trade and tourism development or retention. Code of Virginia §2.2-3705.6(3). Accordingly, the EDA promises to withhold from disclosure otherwise required by VA FOIA confidential proprietary information submitted as part of a grant application, but only to the extent an applicant:

- (i) provides a statement that invokes protection from the VA FOIA, prior to, or upon the submission of the proprietary data or other materials;
- (ii) provides a statement that identifies the data or other materials to be protected and states the reasons why protection is necessary; and

Hampton Grant Application

(iii) submits trade secrets and other proprietary information under separate cover in a sealed envelope clearly marked “PROPRIETARY”.

An all-inclusive statement that the entire application is proprietary is unacceptable and may be rejected on that basis. Information submitted that does not meet the above requirements will be considered public information and will be disclosed as required by VA FOIA. The EDA’s promise of confidentiality hereunder shall not apply to any information which (i) is now or hereafter becomes available to the public without breach of the obligations under this Agreement by the EDA; (ii) becomes available to the EDA from a third party having the legal right to disclose such information; or (iii) such disclosure is compelled by a court of competent jurisdiction or otherwise compelled by law.

PART II: City-wide grant programs

Economic Development Grants

Economic Development Grants are made to stimulate economic activity and are a mechanism to provide resources to companies and/or other organizations where the primary outcome is job growth or capital investment. To be considered, a company is required to submit the following information:

- Description of the business activity and location of where the business is or going to take place in Hampton
- Estimated project timeline including estimated start and end dates
- If an existing business, current level of capital investment and full-time jobs
- Specified capital investment, if any, to be made within a specified timeframe not to exceed thirty six (36) months
- Specified number of full-time jobs, if any, to be created within a specified timeframe not to exceed thirty six (36) months
- A list of positions, the average wage or annual salary rates for each new full-time position.
- A business plan, if the business has been formed in the last 36 months, or if there is an expansion that is not consistent with existing business operations
- Financial information

The maximum grant award shall be at the sole discretion of the EDA and shall be weighted based on the economic impact to the City (tax revenues, wages, achievement of Grant goals, etc.).

Facade Improvement Grants

The Façade Improvement Grant is a reimbursement program for façade improvements to taxable commercial, industrial, or mixed-use structures that are 10 years or older. Mixed-use structures must have a commercial component and the grant will only be applicable to the commercial portion of the building. The program provides a matching grant of up to 30% of qualified improvements up to a maximum of \$10,000. Projects must meet a minimum threshold of a \$3,000 investment by the qualified applicant.

Hampton Grant Application

That minimum threshold is lowered to \$1,000 for qualified arts or cultural businesses located within the designated incentive zones of the Hampton Arts and Cultural District.

Applicants must provide two (2) quotes as part of their application. Improvements must be done by contractor(s) licensed by the Virginia Board of Contractors at a level adequate to install the value of the proposed work. In addition, Renderings, drawings, pictures and/or other material samples to illustrate intended improvements

Every project will be evaluated based on the value of its improvement, the extent/scope of work proposed, and its potential economic impact. Each review will consider the following aspects:

- The visual prominence of the building and its location
- The comprehensive approach of the design and the long-term durability and sustainability of the improvements
- Increase in the value or marketability of the real property
- Increase in local tax revenue
- Decrease in vacancy rate
- Level of private investment by the property owner or tenant
- Any other relevant information

Complete applications must be submitted to and accepted by the Economic Development Department prior to commencing work. Acceptance of an application by the Economic Development Department does not guarantee a grant will be awarded by the EDA.

Hampton Manufacturing & Innovation Assistance Grant

Hampton Manufacturing & Innovation Assistance Grants are designed to aid small Hampton manufacturers (employing 90 or fewer employees), primarily engaged in manufacturing, prototyping, design and/or development of commodities, and classified as manufacturers under the North American Industrial Classification six-digit code which starts with the number three (3). This grant pays matching funds of 2:1 for operational improvements and employee training up to a maximum of \$10,000 for eligible businesses. Meaning for every \$1 the company contributes, the Authority provides a \$2 match, up to a maximum of \$10,000.

Applicants for this grant must demonstrate one (1) or more of the following: (1) commitment to improve profitability; (2) raise productivity; (3) compete in global markets; or (4) provide enhanced value to the customer through product improvement.

Applicants can seek operational and/or training assistance to achieve their needs from any legitimate service provider including, but not limited to, a community college, other college or university, trade association, or equipment manufacturer. Examples of eligible grant expenditures are listed below, however other operational and training initiatives will be considered.

PART III: Location-specific grant programs

Downtown Hampton and Phoebus Retail Assistance Grant

The Downtown Hampton and Phoebus Retail Assistance Grant is a reimbursement program designed to increase the retail presence and sales in Downtown Hampton and Phoebus. Retail tenants or property owners located within the Downtown Hampton and Phoebus Master Plan areas may apply. This program provides a matching grant of up to 30% of eligible expenses. Projects must meet a minimum total cost threshold of \$3,000.

Every project will be evaluated for the value of its improvement, the extent/scope of work proposed, and its potential retail sales impact. Each review will consider the following aspects:

- Consistency with the vision of the district and master plan
- Type of retail activity
- Positive impact on district residential revitalization
- Ability to increase critical mass of retail and to convert first floor space to retail
- Expected effect on the appearance of the district
- Previous success of the business in other locations; or, likely success of the business based on its business plan
- Expected investments by property and business owners
- Return on investment/tax revenue to the City
- Financial history of the applicant
- If the project is a mix of uses (other than retail), the square footage dedicated to retail and (i) the anticipated sales revenue generated by the retail activities, and (ii) a comparison of those retail sales revenues to the total revenues anticipated for all uses

Complete applications must be submitted to and accepted by the Economic Development Department prior to commencing work. Acceptance of an application by the Economic Development Department does not guarantee a grant will be awarded by the EDA. That minimum threshold of \$3,000 is lowered to \$1,000 for qualified arts or cultural businesses located within the designated incentive zones of the Hampton Arts and Cultural District. . In addition, at the discretion of the EDA, arts and cultural businesses may receive an increased award.

NASA Langley Research Center Technology Commercialization Grant

The City is interested in assisting start-ups that want to commercialize technologies created at the NASA Langley Research Center (LaRC) while further developing the entrepreneurial ecosystem in Hampton. The Hampton Economic Development Authority (EDA) created the NASA Langley Research Center Technology Commercialization Grant to stimulate technology transfer, commercialization opportunities and new business creation tied to the NASA LaRC.

The grant can be leveraged to assist businesses with their licensing agreement application efforts and processing fees in accordance with the NASA Langley Research Center requirements. This grant is also available for companies pursuing a Space Act Agreement (SAA) with LaRC or companies seeking to bring a product or developed technology to the marketplace. Furthermore, the grant is available to current and former LaRC civil servants looking to establish or expand technology-focused companies. Grants can be awarded in amounts from \$1,000 to a maximum of \$10,000 and will require each recipient company to contribute/invest at least an equal amount of the grant awarded. The program funding is subject to City Council appropriations.

Eligible applicants must meet the following qualifications: (1) have a Hampton address at the time of application; (2) be located in a Hampton Enterprise Zone or actively establishing a location in a Hampton Enterprise Zone; (3) have commenced either a Licensing Application or a Space Act Agreement (SAA), been awarded a SBIR/STTR contract with NASA Langley Research Center (LaRC), or a current or former civil servant employed with NASA LaRC seeking to commercialize aerospace technologies similar to those developed at LaRC and the majority owner of the business.

Applicants may use the grant funds for, but not not limited to the following: Equipment, Prototyping and testing, Hiring Subject Matter Experts (SME's), Demonstrations, Raw materials and inventories, Working Capital or State/Federal Matching Grant Program Application Fees. Applications may be denied if the committee determines other programs can provide such services or similar grants.

Complete applications must be submitted to and accepted by the Economic Development Department. The application will be first reviewed by staff which may include an outside "technical advisor." Grant amount requests up to \$5,000 will be designated as "Mini Grants" and will be eligible for a streamlined process only requiring approval from the Loan & Grant Committee. Grants exceeding \$5,000 will require approval by the full EDA Board. Acceptance of an application by the Economic Development Department does not guarantee a grant will be awarded by the EDA.
