NOOK E-Reader

eBook Download Quick Reference

Downloaded eBooks to your NOOK before? Connect your NOOK to a computer and go to step 3. Check out and download (on reverse).

1. Install software

Before you download eBooks from HPL you need to install Adobe Digital Editions on your computer.

1. Using your computer, go to **http://hamptonpubliclibrary.lib.overdrive.com** and select **Adobe Digital Editions** from the left column.

2. Select Get **Adobe Digital Editions** to go to Adobe.com.

3. Select **Install** and follow the instructions. Make a note of where the application is saved on your computer.

2. Authorize your computer and NOOK.

1. Connect your NOOK to your computer using its USB cable.

2. Locate the **Adobe Digital Editions** folder on your computer and open it. *On a Windows computer, it will likely be on your Hard Disk (C:) in the **Program Files** folder within an **Adobe** folder. On a Mac, it will be under **Applications**.*

3. Select the **Adobe Digital Editions** icon. The **Setup Assistant** dialog box will appear. Select **Continue**.

4. On the **Activation** screen under **Authorize Computer**, enter the email address and password for your Adobe ID and select **Activate**. If you do not have an Adobe ID, select **Get an Adobe ID online**. Follow the instruction, return to the activation screen, then enter the email address and password for your Adobe account.

5. You will then see the **Device Setup Assistant** dialog box. Select **Authorize Device**.

6. Select **Finish**.

3. Check out and download an eBook

1. On your computer, go to **http://www.hamptonpubliclibrary.lib.overdrive.com.**

2. Browse or search for a title.

3. Make sure the file you select is in either **EPUB** or **PDF** format.

4. Check out the book with your **library card number**.

5. Select **Download**. A window will pop up. Select **Open**, and Adobe Digital Editions will open automatically in the **Reading** View after the book is downloaded to the computer.

4. Transfer the eBook to your NOOK

1. Make sure your NOOK is connected via USB cable to your computer.

2. From Adobe Digital Editions on your computer, select **Library View** from the top left corner of the screen.

3. Select the **Borrowed** section of the **Bookshelves** in the left pane.

4. Select the title from the right pane, then drag and drop the eBook to the NOOK icon in the left pane.

5. When the transfer is complete, safely disconnect your NOOK and enjoy!

Early Returns

You may return your NOOK book early. **If, however, you return more than one book early per day, you may be temporarily blocked from more checkouts for up to three days.**

1. On your computer, open **Adobe Digital Editions**.

2. Select **Library View**.

3. Select the **Borrowed** section from the **Bookshelves** in the left pane.

4. Select the title you want to return early, then select the **Item Options** arrow in the upper left corner next to the title.

5. Select **Return Borrowed Item** and then **Return** to complete the process.
