GOOD TO DO & KNOW!

Hampton City Council's Spotlight on Volunteers Featured Hampton Clean City Commission Long-Time

Volunteers! Eight long-time volunteers whose combined service to the City of Hampton through the Hampton Clean City Commission exceeds 160 years and 80,000 hours were recognized at the April 25th Spotlight on Volunteers. Shirley Boyd, Woody Holder, John Moyer, Jamie Osso, Pat Parker, Loye Spencer, Marty Tennille, and Jim Williams were honored for their dedication to keeping Hampton clean and green. Their activities ranged from cleanups (naturally) to YARDS judging to school education programs to committee work and beyond. These volunteers and others who have devoted much time, effort, and

dedication to our city have made our local environment better. Access the video of the event at http://hampton.granicus.com/MediaPlayer.php?view_id=2&clip_id=2599. For more information, contact hccc@hampton.gov.

YARDS Contest Nominations NEEDED! We need some great nominations! When you see a beautiful yard, or if you know of someone who landscapes organically or has a wildlife habitat on their property, please send a nomination via our web link at <https://hampton.gov/FormCenter/Hampton-Boards-Commissions--Committees-5/YARDS-Contest-Nomination-Form-53>, email at hccc@hampton.gov, or by phone at 727-1130. All we need is the Hampton street address, we'll take care of the rest. For more information, contact hccc@hampton.gov.
