Honoring and Promoting Women in Public Service

HAMPTON DIVISION OF FIRE & RESCUE
22 Lincoln Street | 6th Floor | Hampton VA 23669

Dear Sponsor:

Hampton Fire & Rescue is proud to host the 11th Annual WIPS (Women in Public Service) Conference; for the first time in its history, the conference will move from the founding city fire department, Portsmouth Fire, Rescue & Emergency Services.

The Conference will be held on Thursday and Friday, September 19, 20, 2019 with the theme, *People, Purpose & Passion: Partners in Progress*. We are inviting all of our friends to take advantage of this opportunity to showcase their support for the personal and professional development of our diverse group of women from across the Commonwealth and beyond.

Though the conference is designed especially for women, it is well supported by men and attended by public service personnel at all levels—fire & rescue, law enforcement, administrative, civilian, and uniformed, men and women who want to learn about the challenges faced, in particular by women, and their real world solutions.

Sponsors can choose from a variety of levels of support as indicated in the attachment. Sponsors can opt to complete the attached Sponsor Registration Form and return it along with payment, or complete the online form if that is more convenient. Either way, we hope that you will demonstrate your corporate support of diversity and inclusion initiatives in the Hampton Roads Region by supporting WIPS 2019. In kind donations are also welcome.

Thank you for your consideration. Please feel free to contact us with questions, WIPSInfo@hampton.gov.

Sincerely,

WIPS 2019 Planning Committee
