SUBJECT: Pre-Bid Questions/Answers

Greetings,

Please review the following pre-bid questions and answers:

Question: “Will the VDOT AC Index apply to the asphalt paving items?”

Answer: “The VDOT AC Index will not apply to the asphalt paving items.”

Question: “What is the project duration? Bid form indicates 275 days to completion, p. B-18 indicates 365 days to completion.”

Answer: Completion time is 275 days. If a bid requires a contract, we attached a sample agreement so you can see what our document will look like. The heading of the contract in the bid package states, “Sample Agreement Template”; This Sample Contract Template is Subject to Change Prior to Contract Execution”. This is our template for all VDOT contracts. For future reference, we will leave the number of completion days space blank in the sample agreement. I apologize for the confusion.

Question: “Will you provide B-2 thru B-5 Bid items in Excel Format?”

Answer: Bid form attached.

All other requirements remain unchanged. Bidders must take due notice and be governed accordingly. This addendum must be acknowledged as indicated in the Invitation to Bid or your bid response may not be considered.
