TITLE:

Resolution to Amend the Fiscal Year 2022 Council Approved Budget to Accept and Appropriate the 2022 Foster Grandparent Program Grant Awarded by Corporation for National and Community Services

PURPOSE/BACKGROUND:

The Corporation for National and Community Services ("CNCS") is an independent, federal grant-making government agency whose mission is to improve lives, strengthen communities and foster civic participation through services and volunteers. The CNCS has awarded the 2022 Foster Grandparent Program Grant to the City of Hampton's (the "City") Department of Human Services - Social Services. The CNCS, through its programs Senior Corps, America Corp, Volunteer Generational Fund and Social Innovation Fund, has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

The Senior Corps incorporates the Foster Grandparent Program. Foster grandparents are role models, mentors and friends to children with exceptional needs. The program provides a way for community volunteers (55 and over) to actively serve children, thus helping the children gain confidence and maturity and become productive members of society. The Foster Grandparent Program on the Peninsula serves the cities of Hampton, Newport News and Williamsburg as well as the counties of York and James City. The Hampton Department of Human Services - Social Services was first awarded the Foster Grandparent Program Grant in 1972 and has been a recipient in each subsequent year.

Discussion:

This grant award will help support the continuation of the Foster Grandparent Program on the Peninsula, thus ensuring that approximately one hundred five (105) foster grandparents will be available to provide services in child development centers, pre-K centers, kindergartens and Title 1 elementary schools. The grant supports the salaries and fringe benefits of two (2) permanent full-time ("PFT") positions and two (2) when actually employed ("WAE") positions along with operating expenses and stipends for the foster grandparents. The Foster Grandparent Program employees adhere to the City's Human Resources employment policies and performance evaluation process.

Impact:

The City has been awarded \$393,888 in independent federal grant funds from CNCS. No local cash or in-kind match is required. This is the first year of a three-year renewable grant.
