Restricted Parking Information

On-street parking will not be allowed on the following roads from midnight Saturday, 10/2, to 12pm Sunday, 10/3. Residents MUST move their vehicles prior to midnight on Saturday, 10/2, to avoid being towed:

1. Settlers Landing Rd. (both sides) between S. King St. and S. Armistead Ave.
2. Franklin Street (both sides) between Settler's Landing Rd and W. Queen St.
3. W. & E. Queen St. (both sides) between Franklin St. and Eaton St.
4. King St. (both sides) between Settlers Landing Rd. and Lincoln St.
5. South Armistead (both sides) between Settlers Landing Rd. and Victoria Blvd.
6. LaSalle Avenue (west side) between Victoria Blvd. and Chesapeake Ave.
7. Chesapeake Avenue (both sides) between LaSalle Ave. and Pear Ave.
7. Pear St. (east side) between Chesapeake Ave. and Victoria Blvd.
8. Victoria Blvd (south side) between Pear Ave. and Powhatan Pkwy.
9. Powhatan Pkwy/Power Plant Pkwy between Victoria Blvd. and Pine Chapel Rd.

Half Marathon Detour Recommendations

1. The half marathon course is within a zone framed by Coliseum Drive, Pine Chapel Road, Power Plant Parkway, W. Queen St./Settlers Landing Road, Franklin Street, W. Queen Street, S. Kings St., Lincoln Street, Eaton Street, E. Queen St; S. Kings St., Settlers Landing Road, S. Armistead Rd., Victoria Blvd, LaSalle Avenue, Chesapeake Avenue, Pear Ave, Victoria Blvd, Powhatan Parkway/Power Plant Parkway, Pine Chapel Road, and back to Coliseum Drive (see half marathon course map).
2. All or parts of these roads will be closed just prior to the start of the race at 7:30am. Roads will reopen to traffic as the last participants pass (see chart above). If you are inside the zone and leave before 7:30am, you will not be impacted. If you can reposition your car outside the zone prior to 7:30am, you will also not be impacted.
3. Departure from inside the zone prior to roads being re-opened will be possible for some locations by choosing alternate routes as follows:

- From all locations from within the zone of W. Queen St./Settlers Landing Rd. to the north, S. Armistead Rd & LaSalle Ave to the east, Chesapeake Avenue in the south, and Pear Ave & Victoria Blvd to the west, vehicles can exit the zone by travelling on neighborhood streets to W. Pembroke Avenue and then to Powhatan Parkway. They can turn right on Powhatan Parkway and take I-664 north out of the race zone. Some recommend neighborhood routes are listed in the table below.

- Residents in the area east of LaSalle Avenue and south of Victoria Blvd (e.g. Crowne Point; Merrimac Shores; Hampton Yacht Club) will be able to exit the area by using Bridge Street and Settlers Landing Rd.

- Residents whose driveways exit onto the race course must leave before 7:30am, or re-position their vehicles to a side street in order to depart the zone while the race is in progress.

- Individuals outside the zone who need to get into the zone (e.g. church services, commercial activities, etc.) must cross the zone streets before 7:30am, wait for police/marshal clearance during a break in runner traffic, or wait for the roads to re-open after the last participants pass.

Location	Detour Route
On or close to W. Pembroke Ave.	W. Pembroke Ave. west to Powhatan Pkwy; right to I-664 north
South of W. Queen St; west of LaSalle Ave; north of Victoria Blvd.	West on either Shell Rd. or Victoria Blvd. to north on Bell St/Hampton Roads Ave; west on Pembroke Ave; right on Powhatan Pkwy to I-664 north
Between LaSalle Ave. & downtown Hampton, north of Victoria Blvd	Shell Rd to north on Westwood Ave; west on W. Pembroke Ave; right on Powhatan Pkwy to I-664 north
On or close to Kecoughtan Rd., west of LaSalle Ave.	Hampton Rds. Ave/Bell St. north to W. Pembroke Ave; west on W. Pembroke to Powhatan Pkwy; right to I-664 north
West of Powhatan Pkwy; east of Pear Ave; north of Chesapeake Ave.	Kecoughtan Rd. east to Hampton Rds. Ave/Bell St. north to W. Pembroke Ave; west to Powhatan Pkwy; right to I-664 north
