

INSTRUCTIONS FOR A POSITIVE COVID-19 RAPID ANTIGEN RESULT

Your safety, health, and wellbeing is important. If your city-provided rapid antigen test indicates a POSTIVE COVID-19 result, please follow the instructions below:

- Do not report to work. If you at work, leave the work place and notify your supervisor by phone IMMEDIATELY. Your supervisor will then initiate the existing COVID-19 screening process.
- You may be contacted by a member of the COVID-19 Investigation Unit. Please ensure full cooperation as their mission is to ensure your safety and the safety of your team members.
- A PCR test is strongly encouraged within 24-hours of the positive rapid antigen test. Please use the attached *City of Hampton PCR Testing Authorization Form* to make an appointment. Failure to take a PCR within 24-hours of your positive antigen test may impact your return to work date.

CITY OF HAMPTON

22 Lincoln Street | Hampton, Virginia 23669
