THIS IS AN AGREEMENT, between the City of Hampton, Virginia ("City") and \_\_\_\_\_ ("Vendor"):

- 1. Formation and Nature of Agreement.** This Agreement shall become a contract between the Vendor and the City upon execution by authorized representatives of both parties. Upon formation of the contract and subject to the terms and conditions of this Agreement, the City agrees to allow Vendor to operate a food booth, once selected, at community events and festivals (the "Event" or "Events") sponsored under the auspices of the Department of Parks, Recreation & Leisure Services for the City of Hampton, Virginia. The Vendor agrees to operate the booth and to otherwise perform in accordance with this Agreement. Neither this Agreement nor performance by the Vendor under this Agreement shall create any rights in Vendor to operate a food booth at subsequent Events other than those to which Vendor is selected and approved. The City of Hampton does not discriminate against faith-based organizations.
- 2. Applicable Law and Venue.** This Agreement is a Virginia contract and shall be enforced and interpreted exclusively by the laws of the Commonwealth of Virginia. All suits for any claims, breaches, or dispute arising out of this Agreement shall be maintained in the appropriate court of competent jurisdiction in the City of Hampton, Virginia.
- 3. Use of Booth.** The booth shall be used exclusively for the sale of food and beverage products on the menu described in the application attached to this Agreement, and at the prices described in the application. Upon written request of the Vendor, submitted to the City not less than 30 days prior to the beginning of the Event(s), the City may, by written consent, approve the sale of goods other than approved menu items. Accordingly, the City reserves the right, in its absolute discretion, to disapprove the sale of any goods at the booth other than approved menu items. Without limitation of the foregoing, the Vendor shall not use the booth for solicitation of funds or for promotion of any other purpose apart from the sale of approved menu items and other approved products.
- 4. Authority to Transact Business.** Pursuant to Code of Virginia §2.2-4311.2 and, if so required by Title 13.1 or Title 50 of the Code of Virginia, Vendor shall be properly registered to transact business in the Commonwealth of Virginia as a domestic or foreign business entity and shall not allow its existence to lapse or its certificate of authority or registration to be revoked or cancelled at any time during the term of the Agreement. This provision is not applicable if Vendor is an individual.
- 5. Compliance with Laws.** Vendor represents and covenants that it now is and shall at all times during the term of this Agreement remain in compliance with applicable federal, state, and local laws, ordinances, and regulations governing the rights, obligations, and performance of Vendor under this Agreement. Booths must be accessible or make accommodations for patrons with disabilities. All Vendors must be approved by the City of Hampton prior to Vending. All aisles and roadways shall be unobstructed during and after event. All tents shall have a minimum of a 2A 10-B.C. portable fire extinguisher. Vendors using grease must also have one 40 B.C. fire extinguisher NFPA 10, or "Type K" unit available as required by law. LP tanks under 500 gallon water capacity must be kept 10 feet away from cooking appliances and ignition sources with relief valves directed away from interior of tent. All compressed gas containers (LPG, Propane, Helium, Oxygen, etc.) must be secured against falling. NFPA 58:2-4.1.3 requires all LPG tubing, piping and fittings be rated for LPG use.
- 6. Sanitation and Clean-Up.** Vendor shall maintain the booth and the area surrounding the booth in conformity with all applicable sanitary and health laws and regulations, and in accordance with CDC guidelines, and shall keep the booth and surrounding area neat, clean, and free of accumulated refuse and debris. The City shall provide trash receptacles for use by the public throughout the Event area. Vendor is responsible for disposing of all refuse and debris (gray water, grease, etc.) arising from any of the activities conducted in their booth in accordance with directions given by the City.

**NOTE:** Unless otherwise provided by the City, Vendor shall provide containers for disposal of cooking oils and gray water used. The Vendor is responsible for the off-site removal and disposal of these materials from the Event at the end of each day or a \$250 clean-up fee will be assessed by the City. Vendor shall provide any necessary propane and other fuel utilized in the preparation of food at the food booth, together with any necessary refrigeration or coolers. The City does not guarantee the Vendor will make a certain number of sales or amount of profit through its participation in the Event(s).
10. Application and Other Information. Vendor hereby certifies that the application attached to this Agreement, and all other documentation and information provided by the Vendor to the City in connection with this Agreement, are complete and accurate. Except upon prior written consent of the City, the conduct of the booth by the Vendor shall be in accordance with information and disclosures provided by the Vendor on its application and other documents submitted to the City.
11. Reservation and Processing Fee. Upon execution of this Agreement, Vendor shall pay to the City the appropriate sum according to the "Fee Schedule" enclosed in the Vendor's Information Packet, when applicable. Refunds for vendor fees paid by accepted vendors will not be issued for any reason as a matter of policy by the City of Hampton. 12. Delegation and Assignment. Vendor may not assign any of its rights under this Agreement to any person. Vendor may perform its obligations through delegation to volunteers or members affiliated with Vendor, but such delegation shall not relieve Vendor of its liability for nonperformance of its duties. The City may delegate and assign its duties and rights to such committees for representations as the City shall select. Such right of delegation includes, without limitation, the promulgation of regulations and the issuance of directions to the Vendor.
13. Relationship of Vendor and City. In case of emergency, such notice may be provided by email as specified by the Vendor on the application. The City has the right to cancel and/or terminate any event or performance, without notice, in situations that threaten the public health, safety, and welfare, which shall be determined at the sole discretion of the City. Such situations include, but are not limited to, hurricanes, tropical storms, and other severe weather events, unruly or violent crowds, crowds in excess of property capacity, and public health emergencies. The City shall not be liable for any costs or expenses incurred by Vendor as a result of any such
