- I. **PURPOSE:** The purpose of this policy is to establish the responsibility of detectives in responding to calls for investigative duties when requested by Patrol.
- II. **POLICY:** It is the policy of the Hampton Police Division to assign a detective to a case when requested by the appropriate unformed supervisor.
- III. **PROCEDURE:**
 - A. If a situation occurs in the field that requires investigation by a detective, the on-duty Watch Commander will be notified. The Watch Commander or his designee is the only individual other than an Investigative Services supervisor authorized to issue instructions that a detective be called to respond to the scene of a crime.
 - B. If a detective is needed between the hours of 2300 and 0800, the on-duty investigator will be utilized under the direct supervision of the Watch Commander. If additional detectives are needed, the Watch Commander will contact the appropriate Investigative Services supervisor by phone. The Investigative Services supervisor will contact the detective to provide additional manpower.
