- Funding, that does not have any bearing on the increase/decrease of students? Doesn't seem fair.
- Not suggesting you open a Pandora box. State funding ties into student enrollment.
- Does future closing of Fort Monroe have any impact on school funding?
- If they default on their home elevation loan, how does the city get the money back?
- Did you want to partner with Newport News or York County for some services, i.e. purchasing supplies, etc.
- There is always a temptation to cut back on maintenance, do we have a maintenance floor established?
- There is also a tendency to cut back on retirement funding, is that happening with the city?
- Regarding our post retirement liability, will it move from a footnote disclosure to a liability in the city's balance sheet?
