

AMERICANS WITH DISABILITIES ACT (“ADA”) POLICY

GOLF CART USE

It is our policy to restrict motorized golf cart traffic when weather or turf conditions warrant. This policy ensures that we can continue to provide the best possible playing conditions by preventing damage to the course.

Golfers who are qualified individuals with disabilities must identify themselves to management. Management will provide these golfers with a flagged golf cart and allow the golfer to access restricted areas around greens and bunkers as course conditions warrant. Golfers with handicap flags will be permitted to drive to within 20 feet from the greens.

Please understand that golf cart traffic may adversely affect turf as well playability. We appreciate your cooperation in using and exercising good judgment.

Any use of carts off the cart path is at your own risk and any problems or injuries resulting from such use are the golfer’s responsibility. For safety reasons, we strongly discourage the use of the golf cart on severe slopes or through tall grass area. Natural, unmowed areas may be designated as environmentally sensitive; please avoid these areas with the golf cart. Carts will not be allowed inside any roped off areas.

Course management reserves the right to restrict all cart traffic in the rare instances when excessive heat, moisture stress, new turf, or other weather-related or maintenance-related conditions create extreme safety issues or which would result in any cart traffic causing serious damage to the course. On such days the course will be designated “Cart Path Only.” If at any time it is apparent these conditions exist, please call the course first.

Violation of this policy may result in suspension of golf privileges.

If you have any questions, please contact Patty Lewis, Golf Course Manager, at (757) 727-1700 or Jim Wilson, Director, Parks and Recreation at (757) 727-6474. It is recommended that golfers call the course first to obtain information on current course condition.

PLACARDS

If you are a qualified individual with a disability, please go to the clubhouse to receive a handicap flag and accommodation instructions.
