Return the form to ICMA-RC in the envelope provided.

Section 1: Personal Information – Provide all of the requested information.

Section 2: Transfer To – Specify the ICMA-RC 457 or 401 plan account that will receive the assets.

Section 3a: Transfer From (Other Provider Account Information) – Please provide information on the account and trustee/custodian that will be sending the rollover to ICMA-RC. **You should also contact the other provider to confirm whether or not they will require you to complete any additional forms.**

Section 3b: Transfer Amount – Indicate whether you wish to transfer the total value of your account (100%) or a specified portion of the account. If you elect to transfer a portion of your account, specify the dollar amount and funds you wish to transfer.

Section 3c: Roth or Other After-Tax Assets – If the recipient plan specified in Section 2 of this form is not able to accept a rollover of Roth or other after-tax assets, these amounts will be distributed to you, unless you request that these amounts not be transferred by checking the applicable box in this section and writing "0" in the space provided.

- Please confirm that your 457 or 401(k) plan permits roll-ins of Roth assets prior to requesting a rollover. Note that other after-tax assets are not eligible for a rollover into a 457 plan.

Please Note: Only 401 plan to 401 plan transfers allow transfers of after-tax contributions (basis). In all other cases, the after-tax contributions (basis) should be sent directly to you in a check by the transferring financial organization.

Section 4: Rollover Investment Allocation – Please read this section carefully. It contains detailed information on how the assets you transfer to your ICMA-RC account will be invested.

Section 5: Participant Signature – By signing this form, you are attesting to the following: I have received and read the current VantageTrust's *Making Sound Investment Decisions: A Retirement Investment Guide* and the applicable prospectus for my investments.

I hereby agree to indemnify ICMA-RC (its agents, affiliates, successors and employees) from any and all liability resulting from my failure to meet any IRS requirements.

Section 6: Signature Guarantee – Some plan providers require a signature guarantee on the transfer request form (ICMA-RC does not). Please check with your current plan provider to see if they require a signature guarantee, as the lack of a required signature guarantee may delay the processing of your transfer request. Signature guarantees can be obtained at most local banks.

Section 6b: Representative Comments – For internal use only.

Qualified Joint and Survivor Annuity (applies to married participants in some 401 plans only)

If you are married and transferring assets from an ICMA-RC 401 plan, **and** the employer sponsoring the plan has elected the Qualified Joint and Survivor Annuity Option, your spouse must consent to the transfer of assets to another retirement plan. You and your spouse will need to complete the *Waiver of Qualified Joint and Survivor Annuity Form* available online at www.icmarc.org/forms.

VantageTrust Retirement Income Advantage Fund

If your plan offers the VantageTrust Retirement Income Advantage Fund (the Fund), any assets you have invested in the Fund will be excluded from your transfer/rollover request. If you would like to consolidate your Fund balances into one ICMA-RC plan, please contact ICMA-RC for the appropriate transfer form. You can do a fund transfer from the Fund to other investment options available in your plan if you would like to have the Fund assets distributed with your transfer/rollover request. However, you should be aware that withdrawals from the Fund prior to Lock-In proportionately reduce your guaranteed values. After Lock-In, Excess Withdrawals will proportionately reduce and potentially terminate available guarantees. Please note that if you withdraw all of your assets from the Fund, you lose all guarantees. For additional information, please review the *VantageTrust Retirement Income Advantage Fund Important Considerations* document.
